# FOSTER APPLICATION FORM

What experience do you have with dogs? (For example, house training a dog, training basic obedience, attending training classes, volunteer or work experience, prior breeds owned, experience modifying behaviour such as fear or separation anxiety.)

---

---

---

---

How much time do you have to spend teaching your foster greyhound about life as a pet? If you work, please outline your daily routine and on a typical day how much time your foster dog might spend alone. Note that working full time does not prevent you from being a foster carer, but we consider the time you have available to integrate the dog into the household.
